

# HASA: Your Pool Products Partner

LEARN MORE

We are committed to helping your  
**"essential service" business to grow & thrive.**

**Our pool pros matter.**  
HASA is proud to provide continued education & support for our valued pool service community!

## Robust Resources

- Helpful articles
- Informative industry news & updates
- "How to" video content
- Seasonal webinars & live chats
- Access to HASA water chemistry expert Terry Arko
- Visit "Resources" section of Hasa.com under Service Pro Info

**Have product or pool treatment questions?**  
Email: [AskTerry@HasaPool.com](mailto:AskTerry@HasaPool.com)

## Safety Tips

- Sodium hypochlorite transportation tips (for deposit/non-deposit product)
- Proper product storage instructions
- Industry-compliant Safety Data Sheets (SDS)
- Visual tutorials on safe materials handling

## Training Curriculum

- Alliance with Pool Chemistry Training Institute (PCTI)
- Access to host of PCTI assets & training protocols
- 1-Day Residential Pool Chemistry Certification coursework—Pool Chemistry Certified Residential ("PCC-R")
- In-field mobile testing tools

## Pro Rewards™ Program & Mobile App

- HASA's NEW Pro Rewards™ gives pool pros more ways to increase revenue!
- Earn points toward product vouchers & e-gift cards
- Scan invoices and track rewards—it's easy

We support the Pool Hot Tub Alliance (PHTA), Independent Pool Spa Service Association (IPSSA), California Pool & Spa Association (CPSA), Pool Nation, and Pool Man University—and HASA participation continues to grow and expand.
