FIRST AID

IF SWALLOWED: Do not eat, drink, or take any medicine until you have been examined by a doctor. Do not induce vomiting. If you are unable to swallow, do not eat or drink. Call your doctor or the Poison Control Center for more information.

IF ON SKIN: Wash the affected area with plenty of water. If you are wearing clothing, remove the clothing and wash the skin with plenty of water. Call your doctor or the Poison Control Center for more information.

IF IN EYES: Flush the eyes with plenty of water for at least 15 minutes. Call your doctor or the Poison Control Center for more information.

IF INHALED: Move to fresh air. If you are having trouble breathing, call your doctor or the Poison Control Center for more information.
